

The Problem Fixers

The new concierge service for people with busy lives

With almost 30 years of problem solving experience we're the ones to trust with any project no matter how simple, complex, large or small; whatever it is we can make it happen for you

Building Projects

We can either project manage your requirement using our associated professional trades people or source the appropriate skills for you to manage it yourself

Parties & Catering

Whether it's an anniversary, a children's party or a 21st we can manage it including invitation origination and dispatch, catering and entertainments through to venue selection and guest transport

Entertainments & Activities

We can organise any entertainment or activity as part of our party planning service or as a standalone requirement; the activities can be anything you want including a paint balling day, simulated freefall, Disco & Karaoke or even a pig roast.

Everyday Household Needs

If you are looking for regular services such as cleaners, gardeners or a laundry service, contact us and we'll find the right match for your needs.

Installations

Everything from roof aerials and satellite dishes to solar panels and CCTV, we have access to the experts and the experience to make sure it goes without a hitch.

From the mundane to the once in a lifetime event, we are the people to make it happen. Everyone has a busy life and it's sometimes hard to find time to fit everything in: **The Problem Fixers** are the answer you've been looking for.
